3. The Hohman Plating & Mfg., LLC order number must be on the invoice, package and freight bill.
4. All shipments must be accompanied by packing slips that show the order number and a brief description of the goods.
5. In consideration of the placed order, the Seller hereby agrees to protect and save harmless the Buyer, its successors, assigns, customers and users, against any suits, and from all expense, damage, claims and demands arising through actual or alleged infringement of patent rights by reason of the manufacture, sale or use of goods, apparatus or material furnished by the Seller under the placed order.
6. The Seller agrees that all materials and services provided satisfy Governmental and safety constraints on restricted, toxic and hazardous materials, as well as, statutory and regulatory requirements, environmental, electrical and electromagnetic considerations applicable to the country of manufacture and sale. (e.g., RoHS, REACH)
7. The Seller agrees, where applicable, that the Buyer, their customers, and regulatory agencies have the right to verify that their materials or services conform to specified requirements at the Seller's premises.
8. In the event the Seller discovers a nonconformance to the material or service to be provided, the Seller shall promptly advise Hohman Plating & Mfg., LLC in writing of the nonconformance. Seller shall provide recommended disposition and technical justification. The notification shall be in sufficient detail such that Hohman Plating & Mfg., LLC will be able to evaluate the full scope of the nonconformance and approve the Seller recommended disposition or require alternative disposition of the Seller. No nonconforming material is to be shipped without the prior written approval from Hohman Plating & Mfg., LLC. A Nonconformance is defined as one or more of the following:
  - a. Violation of Technical, Material or Customer requirement.
  - b. Violation of Seller's documents which have been approved by Hohman Plating & Mfg., LLC.
  - c. Nonconforming condition which cannot be corrected by continuation of the original manufacturing process.
  - d. The item does not conform to the original requirement even though it can be restored to a condition such that the capability of the item function is impaired.
  - e. Counterfeit and Product Substitution.
9. The Seller shall communicate the importance of ethical behavior to its employees.
10. The Seller agrees to notify Hohman Plating & Mfg., LLC of any changes in product and/or process and change of manufacturing location prior to implementation of said changes.
11. The Seller agrees to flow down to the supply chain all applicable regulatory and customer requirements.
